**Advancing CT Together Receives \$35,000
from Fairfield County's Community Foundation**

Advancing CT Together in Hartford received a \$35,000 grant from Fairfield County's Community Foundation to support the Connecticut Association for Human Services asset building programs and policy activities in Fairfield County through 2023.

The Connecticut Association for Human Services (CAHS), a division of Advancing CT Together, changes the lives of low-income children and families across Connecticut by pioneering pathways from poverty to opportunity and from financial insecurity to capability and success.

"CAHS is extremely grateful for the support received from the Fairfield County's Community Foundation as this funding will allow us to further our mission to empower and equip families in Connecticut with the tools and resources to achieve economic success," said Chief Program Officer, Takima Robinson.
